AUDITOR'S REPORT FOR 2022-23

To the Members of Erindale Badminton Club

I have audited the Cash book transactions, statements and other documentation of Erindale Badminton Club (the Club) as at 30 June, 2023.

These statements and documents are the responsibility of the Board of the Club and my responsibility is to express an opinion on these documents based on my audit.

I conducted my audit to the best of my abilities and have verified sample transactions to source documents and have obtained reasonable assurance that the documents are free of any material misstatement.

In this regard I have made certain recommendations which are separately attached.

In conclusion, it is my opinion, that the Cash Book and Financial Statements present fairly, in all material respects, the financial position of the Club as at 30 June 2023.
